SWASTIKA TO CHANGE HANDS

MRS. SAVAGE WILL LEAVE CIMARRON—MRS. EVA AND MISS BELLE LIVINGSTON IN CHARGE

The announcement that the management of the popular Swastika hotel will change hands on June first came without warning last week. Mrs. D. M. Savage, who has so efficiently conducted the hotel, will go to Denver where she has some interests to look after, with the expectation of later going to California to visit her sister residing there.

The management of the hotel will be turned over to Mrs. Eva and Miss Belle Livingston, and Cimarron is to be congratulated in having its pride fall into such competent hands as the new management. While the many friends of the Swastika hotel will be very sorry to lose Mrs. Savage, they still will one and all rejoice that the hotel will not suffer by reason of the change.

Mrs. Savage has made herself a host of friends during her stay here in Cimarron, and everybody will regret that Cimarron is no longer to count her as one of its inhabitants, and this will be especially true of those who were fortunate enough to be staying at the Swastika during her regime, since by her many kindnesses she won the respect and love of each and every one.

UNCLE SAM AFTER HIM

San Francisco, May 12.—Harry M. Church, alias Dr. Church, alias David Randall Mayes, is in the Santa Cruz county jail serving a short sentence for petty swindling, and United States Marshall Elliott and Major Sues, special examiner of pensions, have gone there to make sure that the federal government will get hold of him as soon as he has served his sentence. He is wanted in Grand Rapids, Mich., for having impersonated a special pension examiner, a pension agent and a bank examiner, obtaining while thus sailing under false colors \$550 from Mrs. Mary E. Bush of Grand Rapids and \$100 from Mrs. Laura Turner of Hart, Mich.

MANY HOMES BURNED

East St. Louis, Ill., May 12.—Twenty-seven families were rendered homeless by a fire that late yesterday gutted the plant of the General Roofing company, and, driven by a high wind, communicated to and destroyed twenty-seven cottages in the vicinity. Loss, \$150,000.

E-TOWN COMING

MERRY MAKERS FROM ELIZABETH TO BE GUESTS OF C. M. A. SATURDAY NIGHT.

A crowd of merry makers from Elizabethtown are expected in Cimarron next Saturday to attend a dance to be given in their honor by the boys of the C. M. A. in their lodge rooms in the Aztec hall.

It will be remembered that a Cimarron crowd went to Elizabethtown a week or so ago and attended a dance given them there by the E-town young people. It was then planned that the courtesy would be returned and a cordial invitation was extended the Elizabethtown boys to attend a dance here in Cimarron, and the C. M. A. boys are making great preparations for the event. They were shown such a fine time while in our neighboring town that nothing will be too good for the visitors.

Some of the youthful local lovers of outdoor sports are planning to celebrate next Saturday afternoon by holding a field meet and a ball game, and a fine program has been made up. MOTION OVERRULED IN STEVE ADAM'S CASE

Telluride, May 12.—The motion of Ralph Ested, chief counsel in the case of Steve Adams, charged with the murder of Arthur Collins, raised as a plea in the abatement of the indictment against the defendant, was overruled by the court this afternoon, following the arguments. Ested claimed that the indictment should be nolle because he was indicted by a grand jury under the law of 1903, which provides that indictments upon felonies shall be made upon criminal information. Adams will probably plead tomorrow and the decision upon the application for a change of venue has not been announced.

FRISCO VOTES \$18,000,000 BONDS FOR IMPROVEMENTS

San Francisco, May 12.—Returns from the election in this city today indicate that all of the bond propositions, carrying a total issue of \$18,000,000, have secured the necessary two-thirds vote and are carried. The money is to be used for civic improvements.

11 KILLED IN STORM

Tornado Sweeps Over Five States Wreaking Great Damage

Chicago, May 12.—A wind storm starting in the Southwest on Sunday swept through Texas, Oklahoma, Missouri, Illinois and Wisconsin Sunday and yesterday, killing at least eleven men and women and destroying thousands of dollars' worth of property and livestock. The storm was felt as far south as Gainesville, Texas.

At Little Rock, Okla., J. E. Hills and his wife were killed, two unidentified persons were killed at Arnett, Okla., and Dr. J. Honser of Vici, Ark., Smith, William, Sand of Estelle, R. A. Young of Selling, complete the death list in Oklahoma.

Reaching St. Louis the storm did considerable damage, but was chiefly feared for its resemblance to the tornado that destroyed a large portion of the city on May 27, 1896.

Mrs. Elizabeth Gottsch was killed by falling timbers in Illinois and two unidentified men were slain in Wisconsin.

Late yesterday a tornado swept over Rock Island, Ill., and practically destroyed two towns, causing the death of one woman and injury to more than two score of persons. Eight houses, a church, general store and the school building were wrecked at Cleveland, Ill. Most of the damage was done in Henry and Mercer counties.

Oswatimie, Kan., May 12.—In a storm which blew down her home Mrs. Johnson's 13-year-old daughter was pinned down by the wreckage and seriously injured. Numerous barns in the vicinity were blown down and much damage is reported to property in the surrounding district.

MYSTERY TO BE SOLVED

La Porte, Ind., May 12.—A complete solution of the mysteries of the Guinness farm is expected within forty-eight hours. There will be arrests of accomplices.

The mystery surrounding four of the fourteen deaths which are known to have occurred at the place is cleared by the allegation that Ray Lanphere, the former farm hand, prisoner in the county jail, set fire to the home of Mrs. Belle Guinness on the morning of April 28, and thereby caused the death of the widow and the three children.

For this, if proven guilty, he is liable, under the provisions of the Indiana state laws, to conviction for murder in the first degree as well as for arson. Indictments against him upon both these charges will be asked of the grand jury on Wednesday.

As to the manner of death of the ten murdered persons whose bodies were uncovered in a little patch of ground guarded by closely woven wire netting, the officers are silent.

That the victims came to their death through the administration of a deadly amount of chloral has been proven. The places at which the drug was purchased during the last eight years have been found.

That the corpses were dismembered either in the "chamber of horrors" on the second floor of the Guinness home or in the basement has been shown to the satisfaction of the investigators.

HUNGARIAN MUST FACE TRIAL IN EUROPE

Denver, May 12.—At a hearing yesterday before United States Commissioner Hinsdale, Stephen Nemes Toth, Jr., wanted in Hungary for murder, was held without bond until extradition papers can reach Denver from the office of the secretary of state, where they are now being prepared. Toth is accused of having fatally stabbed one Paul Uveges in Varbo, Hungary, November 18, 1907. He was arrested in a mine at Cokedale, near Trinidad, three weeks ago by Deputy Sheriff DeLue. He probably will be accompanied to Europe by United States Marshal Bailey.
